EBRAINS Science and Technology Committee

THOMAS BERGER - Chair of the Scientific Committee, European Academy of Neurology, Representative of EAN

MAUREEN CLERC - Director, INRIA Centre

EGIDIO D'ANGELO - Director of the Neurophysiology Unit, Department of Brain and Behavioral Sciences of the University of Pavia

ANDREW DAVINSON - Paris-Saclay Intitute of Neuroscience

GUSTAVO DECO - Computational Neuroscience Research Group, Pompeu Fabra University

TIMO DICKSCHEID - Group Leader Big Data Analytics, Institute of Neuroscience and Medicine, Forschungszentrum Jülich

MARIANNE FYHN - Department of Biosciences, University of Oslo

CRISTINA GRANZIERA - Head of ThINK, Department of Biomedical Engineering, University of Basel

STEN GRILLNER - Department of Neuroscience, Karolinska Institute

SABINE HOELTER-KOCH - Helmholtz Zentrum München

RENAUD JOLIVET - Maastricht Centre for Systems Biology, Faculty of Science and Engineering, University of Maastricht

JUAN MORENO - Head of the Neural Rehabilitation Group, Spanish Research Council

GUY NAGELS - Chair of Neurology in the UZ Brussel, Vrije Universiteit Brussel

DANIELA PERANI - Università Vita-Salute San Raffaele

MIHAI PETROVICI - NeuroTMA Group, Department of Physiology, University of Bern

GIULIA ROSSETTI - Group Leader - Molecular Simulations, Digital Pharmacology, Computational Neuromedicine, Forschungszentrum Jülich

PHILLIPE RYVLIN - Head of Department of Clinical Neurosciences, CHUV University Hospital

RITA SALMELIN - Department of Neuroscience and Biomedical Engineering, Aalto University

AUSRA SAUDARGIENE - Laboratory of Biophysics and Bioinformatics, Institute of Neurosciences of the Lithuanian University of Health Sciences

HORST D. SIMON - Director of ADIA Lab, Abu Dhabi

PETRA VERTES - Head of Systems and Computational Neuroscience Group, University of Cambridge

MENNO WITTER - Director, Norwegian Research School in Neuroscience
